VICTOR HINTZ
SOFTWARE ENGINEERING STUDENT

vh@victorhintz.de   victorhintz.de   Ulm | Frankfurt

ABOUT ME

I am Interested In Technology and Its Developments. I enjoy solving digital problems like finding and researching tools and their online Communities, as well as writing code to find a fitting solution.

I believe that many of todays Problems around the world can be Tackled by choosing to use the right tools and Software.

EXPERTISE

- Fundamentals of OOP
- Python Scripting Fundamentals
- Java Fundamentals
- Html5
- CSS

LANGUAGE

English

German

EXPERIENCE

At Accuramed Tagesklinik 2019 Jan

Technology Intern

I helped setting up several new Systems, installing new Software and linking it up with the rest of the established Internal Eco-System of the Company. Here I learned how important it is to make sure all Links of the Network can function consistenly and work well together.

VOLUNTEERING

Ev. Kindertagesstätte Dornbuschgemeinde Frankfurt

Intern

As an Intern at Ev. Kindertagesstätte Dornbuschgemeinde Frankfurt, I helped being in charge of several groups of children from Kindergarden up to 4th Grade afternoon daycare. Here I learned patience, empathy and effective communication

Student Lounge EV.

Event Vorstand & Infrastruktur Vorstand

Whilst working with the Team of the Event Vorstand I coordinated and organised several events together with a group, like Christmas Partys and Semester openings. During my time as Infrastruktur Vorstand I took care of maintenance and rental of Technological Equipment.

EDUCATION

Current	**Software Engineering Bachelor** Universität Ulm
2018	**European Baccalaureate** Europäische Schule Rhein-Main
